**Subject:** Critical, OPERATIONAL ALERT,20221230,BBT MID LOUISIANA GAS TRANSMISSION LLC,MLGT

Texas Eastern has issued an OFO effective for gas day Friday, December 30, 2022. Notice I(D129151)

At this time, BBT Mid Louisiana Gas Transmission, LLC is requesting all shippers and delivery point operators to keep daily takes out of the system equal to or greater than scheduled quantities regardless of their cumulative imbalance position. To the extent that any penalties are assessed by TE at the interconnects, the shipper will be responsible for payment of such penalties.

Please call the Gas Scheduling Line at 346-241-3999 should you have any questions

This mailbox is not monitored. If you have questions, please contact Lighthouse Midstream Services at 346-241-3999.
