Title: TE Access Area Operational Flow Order -- LIFTED

Effective 9:00AM CCT January 23, 2023, Texas Eastern (TE) is lifting the previously posted Operational Flow Order for Access Area zones STX, ETX, ELA, and WLA issued on January 21, 2023.

The previously posted Operational Flow Order for Market Area zones M2-24, M2-30 and M3 issued on January 20, 2023, remains in effect until further notice.

Please contact your Operations Account Representative should you have any questions.
