NOTICE TO TRANSPORTATION CUSTOMERS AND AGENTS

Strained Operating Condition- High Line Pack Warning- LIFTED

Effective gas day **Saturday, February 24, 2024** at **7:00 AM, PCT**, El Paso Natural Gas is lifting the **Strained Operating Condition (SOC) Warning** originally issued on **Thursday, February 22, 2024** which affected all transportation customers in **Arizona**.

Even though the El Paso line pack has returned to normal, Southwest Gas requires transportation customers to closely monitor their scheduled quantities versus actual burn quantities.

If you have any questions concerning this information, please contact your gas scheduling representative or your Industrial Gas Engineer.
