Notice Text:

Southwest Gas Corporation (Southwest) is issuing a Stage 1 Operational Flow Order (OFO) for 4/13/2024 in response to the Operational Flow Order declared by SoCal Gas. Southwest requires that the daily positive imbalance be less than or equal to 10% of scheduled quantities.

Southwest Gas Corporation requires that transportation customers in California closely monitor their nominations and scheduled quantities of natural gas supplies.

If you have any questions concerning this information, please contact your gas scheduling representative or your Industrial Gas Engineer.
