**Due to forecasted colder-than-normal weather impacting the Louisiana and Mississippi service area, Delta Utilities is declaring a Critical Period Event, effective Gas Day 24 (Saturday, January 24) through Gas Day 27 (Tuesday, January 27).**

Please be advised of the following during this Critical Period Event:

- The Critical Period Price will be in effect for **all** daily imbalances.
- All imbalances will be cashed out on a daily basis using the Critical Period Price (gas delivered during this period will not apply toward the monthly cumulative imbalance).
- Any accumulated long or short positions prior to or after the declared event will not be considered when determining daily cash-outs during this Critical Period Event.

For more information, please refer to our **General Terms and Conditions for Transportation Service**.

Please feel free to contact us if you have any questions.
