Subject: G4T GAS TRANSPORTATION SERVICE - RESTRICTED DELIVERY DAY EVENT

Colorado Springs Utilities (Fuels and Purchase Power Team) would like to notify all G4T Gas Transportation Service Customers that it is declaring a "G4T Restricted Delivery Day Event" – "General Balancing Curtailment" to begin at 8:00 am on Friday January 23, 2026 and continuing until further notified.

For the duration of this G4T Restricted Delivery Day Event no gas supply will be available for balancing. Over Deliveries and/or Under Deliveries in excess of 10% of the Metered Delivered Volumes will be assessed a charge equal to the Daily Balancing Commodity Charge – RDD Event..

All Metered Delivered Volumes that are greater than the Final Scheduled Delivered Volumes are subject to any and all charges and penalties as more fully set forth in Colorado Springs Utilities' Natural Gas Tariff.

Please contact your Colorado Springs Utilities Business Account Representative if you have any questions.
