Subject: Critical, Force Majeure, 20260121, Enable Mississippi River Transmission, LLC, 006968077

East Line FMJ

This System Protection Warning (SPW) is being issued by MRT and shall constitute notice of Force Majeure due to unplanned maintenance on its East Line, located in St. Louis County, Missouri. The unplanned maintenance will begin immediately and will continue until further notice.

During this time:

- Receipts or Deliveries nominated at STL Chain of Rocks (MP: 100007) will **not** be scheduled.

Based on current nominations, MRT does anticipate impacts to its Firm Services.

This System Protection Warning (SPW) will remain in effect until further notice and will be updated as more information becomes available.

If you have any questions concerning this Alert, please contact your Scheduling Representative.

Private and confidential as detailed [here](#). If you cannot access hyperlink, please e-mail sender.
