Notice Text	Per Section 8 of the General Terms and Conditions (GT&C) Transmission Company (VGT) is issuing a system-wide Open day January 23, 2026, through gas day February 3, 2026. In market regions, this notice is being issued to protect the continued operations to transport gas in accordance with its Affected Customers/Balancing Parties: This OFO is directed Required Response Time: Gas Day January 23, 2026 to Feb

Required Response: VGT requires all balancing parties and their overall flows match their nominations and that receipt are a detriment to the system line pack will not be allowed.

Quantity of Gas Required to Remedy the Operational Condition: VGT will require the balancing parties to maintain a minimal imbalance.

Penalties: Failure to specifically adhere to this OFO may result in the loss of a portion of shipper's or balancing party's service and cause the system to become imbalanced. Pursuant to Section 29 of the GT&C, for each day gas is taken in excess of the quantity specified in this OFO beyond a two (2) percent allowable variation, the penalty will be \$100.00 per Dth equal to three times the higher of (1) the midpoint price for ANR, ML 7 published in Gas Daily's "Daily Price Report" or (2) the midpoint price for ANR, ML 7 published in Gas Daily's "Daily Price Report" on the day the OFO is issued.

This OFO will remain in effect until February 3, 2026. VGT will monitor the market conditions and, if necessary, provide additional notice, either extend this OFO beyond such date or issue a new OFO. VGT will update this posting as conditions change. VGT reserves the right to take further steps as may be necessary. Thank you for your cooperation.
