Subject: UPDATE: WG High Flow Constraint starting 1/22/2026 at 9am CT

Dear Customer,

WG has declared a High Flow Constraint with an hourly Operational Flow Condition at the gate level, per our tariff, starting 1/22/2026 at 9:00am CT – until further notice. Please make sure that you deliver what your customers use at the gate they use. Daily and/or hourly penalties may apply. If you have questions, please call your Account Executive.
