Public Service Company of Colorado, an Xcel Energy Company

January 23, 2026

UNDER-DELIVERY OPERATIONAL FLOW ORDER (OFO) Effective Friday, January 23, 2026 / GD23 - Until Further Notice.

Public Service Company of Colorado (PSCo), an Xcel Energy company, is calling an Operational Flow Order (OFO) for UNDER-DELIVERIES due to colder than normal temperatures and operational supply constraints.
Additionally, the Company is ordering Shippers to source their gas from their contractual primary receipt points.

EFFECTIVE DATE(S):
Friday, January 23, 2026/GD23 (beginning at Timely Cycle and further cycles)- Until Further Notice

OPERATIONAL AREA(S):
All Operational Areas

TOLERANCE RANGE:

Under-Delivery = Ten Percent (10%)

PENALTY CHARGE:

CIG Rockies (Gas Daily) Pricing plus \$10.00/Dth penalty

IMBALANCE NOMINATIONS:

Imbalance Payback is not allowed during an UNDER-Delivery OFO

Please contact Scheduling at Scheduling@xcelenergy.com for any additional questions.
