BALANCING SERVICE INTERRUPTION

Columbia Gas of Kentucky, Inc. (CKY)

Posted on February 26, 2026 09:00 AM ET

Effective Gas Day(s): Saturday, February 28, 2026 through Saturday, February 28, 2026

Required Action: **BALANCING SERVICE INTERRUPTION (BSI) - Under-Deliveries Restriction**

DELIVERY SERVICE

CKY's Banking and Balancing Service is being restricted for the reasons cited below. As a result, Delivery Service (DS) customers without Daily Metering are required to deliver their confirmed scheduled supply to **no less than the percentages set forth below** of the customer's Maximum Daily Volume (MDV).

Delivery Service customers with Daily Metering are required to deliver confirmed scheduled supply to **no less than the percentages set forth below** of their actual daily demand.

Gas Day	02/28/2026	
	With Daily Metering	Without Daily Metering
PSP		
18-10	70 %	20 %
18-11	70 %	38 %
18-12	70 %	41 %
18-13	70 %	N/A

CHOICE

Small Volume Aggregation Service Marketers (aka Choice Marketers) should continue scheduling supplies according to the Daily Delivery Requirements contained in their demand curves.

Reason(s) for Notice: CKY's pipeline storage rights limit CKY's ability to accommodate imbalances between transportation customer supply and demand. As well as, CKY's need to adhere to capacity limitations in its upstream pipeline contracts.
