
Liberty hereby issues: (1) an CURTAILMENT OF SERVICE for all supplies on **NGPL** delivered to Jackson, Missouri at the Jackson gate (Loc. 909209) effective the start of GD_7 (Saturday March 7, 2026); and (2) a CURTAILMENT OF SERVICE for the same locations in accordance with Midstates Gas Tariff, Sheet Nos 106-108, effective immediately. Such a CURTAILMENT OF SERVICE shall remain in effect until further notice.

As the result of an incident on Liberty's Jackson Missouri NGPL Location, no gas may flow into Liberty's system at the Jackson gate (Loc.909209). PLEASE DO NOT NOMINATE TO THIS DELIVERY POINT! The nominations for all currently scheduled gas should be reduced to zero for timely cycle effective GD7 and remain at zero until further notice unless otherwise notified by the company individually.
